Presenting Adonia R the stunning water heater with colour changing LED

## Hottest innovation in water heaters

The stunning Adonia R water heater that is adorned with LED that changes color from Blue to Amber as the water heats to the desired temperature.

The digital temperature indicator alongwith feather touch controls and remote control for temperature setting takes your experience to a different level.

The innovative feroglas™ technology in the inner container withstands hard water to give years of trouble-free service. The incoloy glass coated heating element is resistant to hard water and scaling.

All this comes with a 7-year warranty\* to give you a complete peace of mind.

### Features

Temperature sensitive LED indicators

Feather touch control panel

Remote control for temperature setting

Shock safe plug

Feroglas technology

PUF insulation

Anode rod

0.8 MPa high working pressure

Incoloy glass coated heating element

Multi functional safety valve

IPX-4

Whirlflow technology

### Best-in-class technology

Digital display for temperature

Feather touch control panel

India's first integrated shock safe plug

### Temperature sensitive LED indicator\*
