To
The Management of Havells India Limited,
QRG Towers, 2D,
Sector 126, Noida- Greater Noida Expressway Noida,
Uttar Pradesh- 201304.

Introduction

We ('KPMG Assurance and Consulting Services LLP', or 'KPMG') have been engaged by Havells India Limited ('HIL' or 'the Company') for the purpose of providing an independent limited assurance on the select non-financial sustainability disclosures presented in the Integrated Report ('the Report') of the Company for the period covering 1st April 2022 to 31st March 2023 ('the Year' or 'the Reporting Period'). Our responsibility was to provide a limited assurance on the select non-financial sustainability-related data presented in the Report as described in the 'scope, boundary, and limitations' below.

Reporting Criteria

The Company has referred to the following reporting criteria for developing the report:

- The International Integrated Reporting Council's <IR> Framework.
- Global Reporting Initiative (GRI) Standards 2021.

Assurance standards used

We conducted the assurance in accordance with

- Limited Assurance requirements of International Federation of Accountants' (IFAC) 'International Standard on Assurance Engagement (ISAE) 3000 (revised) – Assurance Engagements Other than Audits or Reviews of Historical Financial Information'.
 - Under this standard, we have reviewed the information presented in the Report against the characteristics of relevance, completeness, reliability, neutrality, and understandability.
 - Limited assurance consists primarily of enquiries and analytical procedures. The procedures performed in a limited assurance engagement vary in nature and timing and are less in extent than for a reasonable assurance engagement.

Scope, Boundary and Limitations

- The scope of assurance covers the select non-financial sustainability disclosures as presented in the HIL's Integrated Report for the period of 01 April 2022 to 31 March 2023, as per the table below.
- The boundary of the report includes the data and information from HIL sites as mentioned in the Integrated Report section – Reporting Boundary
- Data review and validation for the following sites was performed through physical site visits:
 - Haridwar (Uttarakhand)
 - Neemrana (Rajasthan)
 - Alwar (Rajasthan)
 - Baddi (Himachal Pradesh)
 - Ghiloth, (Rajasthan)
 - Corporate Office, Noida (Uttar Pradesh)

- Following select non-financial disclosures in 'the Report' were subjected to assurance:

Limitations

The assurance scope excludes following:

- Data related to Company's financial performance.
- Data and information outside the defined Reporting Period
- Data outside the operations mentioned in the Assurance Boundary above unless and otherwise specifically mentioned in this statement.
- The Company's statements that describe expression of opinion, belief, aspiration, expectation, aim to future intention provided by the Company and assertions related to Intellectual Property Rights and other competitive issues.
- Strategy and other related linkages expressed in the Report.
- Mapping of the Report with reporting frameworks other than those mentioned in reporting criteria above.
- Aspects of the Report other than those mentioned under the scope and boundary above.
- Review of legal compliances.

Assurance Procedures

Our assurance process involves performing procedures to obtain evidence about the reliability of specified disclosures. The nature, timing and extent of procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the selected sustainability disclosures whether due to fraud or error. In making those risk assessments, we have considered internal controls relevant to the preparation of the Report to design assurance procedures that are appropriate in the circumstances.

Our assurance procedures also included:

- Assessment of Havells India Limited's reporting procedures regarding their consistency and relevance with the application of the reference criteria.
- Evaluating the reliability and appropriateness of the quantification methods used to arrive at the select non-financial sustainability related data presented in the Report.
- Review of systems and procedures, from the perspective of completeness, used for quantification, collation, and analysis of select non-financial sustainability data included in the Report.
- Understanding the appropriateness of various assumptions, estimations and materiality thresholds used by the Company for data analysis.
- Discussions with the personnel at the corporate and business unit level responsible for the select non-financial sustainability data presented in the Report.

- Assessment of reliability and accuracy of sustainability data.

Appropriate documentary evidence was obtained from the relevant authority at respective sites and at corporate office to support our conclusions on the information and data reviewed.

Conclusions

We have reviewed the select non-financial sustainability data in the Integrated Report of Havells India Limited as mentioned in the scope above, for the reporting period from 01st April 2022 to 31st March 2023.

Limited Assurance: Based on limited review and procedures performed, nothing has come to our attention that causes us not to believe that the sustainability data, as per the scope of assurance mentioned above, presented in the Report is appropriately stated in material aspects. The assurance engagement considered an uncertainty of $\pm 5\%$ based on materiality threshold for estimation/measurement errors and omissions. We did not engage with any external stakeholders as part of this assurance engagement.

We have provided our observations to the Company in a separate management letter. These, do not, however, affect our conclusions regarding the Report. These do not however affect our conclusions regarding the Report.

Independence

The assurance was conducted by a multidisciplinary team including professionals with suitable skills and experience in auditing environmental, social, and economic information in as per requirements of ISAE 3000 (Revised).

Our work was performed in compliance with the requirements of the IFAC Code of Ethics for Professional Accountants, which requires, among other requirements, that the members of the assurance team (practitioners) be independent of the assurance client, in relation to the scope of this assurance engagement, including not being involved in writing the Report. The Code also includes detailed requirements for practitioners regarding integrity, objectivity, professional competence and due care, confidentiality, and professional behaviour. KPMG has systems and processes in place to monitor compliance with the Code and to prevent conflicts regarding independence. The firm applies ISQC-1, and the practitioner complies with the applicable independence and other ethical requirements of the IESBA code.

Responsibilities
